The Crystal Gala Foundation is made up of a dynamic group of women from all walks of life. Our team, along with our partners, have raised over $2,000,000 dollars for breast cancer. From 1999 to 2004, the Crystal Gala funds were donated within the BC community through the Canadian Breast Cancer Foundation. The Crystal Gala became a foundation in 2004 to ensure all donations could and would remain local. In 2007, the Crystal Gala Foundation pledged a lead gift of $500,000 to ***A Campaign for Health Care Excellence*** to name the 2nd floor ***Crystal Gala Breast Health Unit,*** which is used for screening mammography and in 2010 pledged and fulfilled and additional $500,000.00. Most recently, the Crystal Gala was proud to support the ***New Breast Health Clinic Space*** that opened in the Atrium of the ARH! This new clinic space is dedicated to supporting women and men with new breast problems by performing and/or coordinating all necessary physical exams, tests, biopsies and surgical procedures, providing results, education, referrals and support.
