The Crystal Gala Foundation is made up of a dynamic group of women from all walks of life. Since 1999 our volunteer committee along with our sponsors and donors have raised over \$2,700,000.00 dollars for breast cancer. In 2007, the Crystal Gala Foundation pledged a lead gift of \$500,000.00 to *A Campaign for Health Care Excellence* to name the Screening Mammography unit at ARHCC for the Crystal Gala. In 2010 we fulfilled an additional \$500,000.00. Abbotsford Breast Health at ARHCC needed a new space so in 2015 CGF partnered with Fraser Health and JLIF to build the new *Abbotsford Breast Health* on the Atrium level. This new space is dedicated to supporting women and men with new breast problems. By performing and/ or coordinating all necessary physical exams, tests, biopsies, and surgical procedures, providing results, education, referrals and support. Our 2018/2019 project is to purchase a new Digital Mammography machine with Stereotactic unit and Neoprobe for staging breast cancer for surgery. Quite an ambitious list and all possible with your generous donations!
